August 3rd - August 7th	<input type="checkbox"/>

ONE WEEK CAMP SESSION - \$325  
CAMP STARTS AT 9AM AND ENDS AT 12 NOON

What your child will need at camp:

- The camp will provide riding helmets for all campers. If they already have their own riding helmet they may bring it.
- Campers must have boots with a small heel for riding as well as a comfortable pair of shoes for when they are not riding.
- The camp will provide water and Popsicles during our snack break. Your child is more than welcome to bring their own snack and drink as well. Please try and keep it peanut/tree nut free and let us know about any other allergies.

The Timber Hill Horsemanship camp is offered during summer vacation. The horses used are safe in lovable "veterans" allowing the child to benefit from their experience. Each camper will have a daily riding lesson along with tons of hands-on learning about horse health, equipment, equine behavior and much more.
